Please note – The SGA is happy to receive grant applications before the applicant attends the relevant course. Acceptance will be given prior to the course on condition a successful outcome is achieved. Payment will only be made on successful completion of the course.

Please note – The SGA will aim to match the individual Scottish Clubs' funding of the overall training of flight Instructors, normally one-third of the trainee's total costs, up to a maximum of £1000, with the provision that trainees can request further funds in exceptional circumstances. However please bear in mind that this is a community fund and the SGA reserves the right to refuse support of parts of the application if it is deemed to be unreasonable.
